The Proctorian for 1958

PROCTOR HIGH SCHOOL

Proctor, Vermont

Volume Fifteen

Dedication

We, the class of 1958, proudly dedicate our Proctorian to Mr. Almo Buggiani. His cheerful willingness and efficiency have contributed much toward making our four years in Proctor High School happy ones. A true friend to every member of the student body and faculty, he has always had a sincere interest in all our endeavors. For his wise counsel and unlimited generosity in giving so freely of himself and of his time, we are deeply grateful.

In Appreciation

To our sponsors, Mr. Loyzelle and Mrs. Murphy, we extend special thanks for the support, the assistance and the enthusiasm that both of them have always given us. Though not always expressed, our appreciation is sincere. May the best come to both of them.

They have understood our problems, assisted us with unlimited patience, listened to our complaints with a ready smile, inspired us with confidence, and encouraged us when we were disheartened.

Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories.

Foreword

With our school year swiftly drawing to a close we pause to catch a final glimpse of the happiness we have had and the friends we have made in the past four years. We find ourselves truly cherishing the fond memories of these past years at P. H. S.

We are reluctant to part with these associations - the sound of happy voices, the spirit of good sportsmanship, the molding of ideas and aspirations which have combined to enrich our experiences at Proctor High School.

With the sincere hope of leaving a worthy souvenir of significant days at the Proctor High School to many loyal students, we have devoted many hours of work to this publication.

We, the 1958 editors, hope that this annual will become one of your most prized possessions and that, as you look back over the faded snapshots, you will remember those golden days at Proctor High School. As you leaf through these pages and re-live your high school days, may this pictorial grow in value and bring joyful reminiscence for all the years to come. May you remember and cherish the challenges, accomplishments, and above all, the friends at Proctor High School.

The 1958 Proctorian is yours. You made it; we preserved it through word and picture.
